Scholarship Opportunities:

Employee Scholarships: Some companies offer scholarships to their employees or to children of employees. Ask your employers (or your parents' employers) if there are any scholarships available through your company for which you can apply. For example, students who work for United Supermarkets can apply for a scholarship available to employees of United.

www.scholarshipexperts.com is a link I shared on a previous newsletter. They provide links to a wide variety of scholarships with categories that range from College-Specific, Athletic, Merit-Based, Company-Sponsored, College Major Specific, State Specific, Minority, "Weird", and many more. There is also a link to scholarships that they provide (look for the tab "Our Scholarships") that seem simple, fun, and worth a try!

On the calendar:

LEARN Counselor- December 12

"If you don't go after what you want, you'll never have it. If you don't ask, the answer is always no. If you don't step forward, you're always in the same place." –Nora Roberts

TSI- If you did not previously pass all sections of the TSI and want to try again in order to be cleared for admission to SPC and many other Texas colleges and universities, then come by my office to sign up. I will give you information about the fees and set a date to give you that opportunity to retest.
