

Smyer High School Endorsement Options

Students must select one of the following 3 endorsements:

- Multi-Disciplinary Studies
 - Standard plan that mirrors the previous graduation plan known as the “Recommended High School Plan”
 - Includes 4 credits in English, Math, Science, and Social Studies)

 - STEM (Science, Technology, Engineering, and Mathematics)
 - Includes upper-level math and/or science courses such as Pre-Calculus, Calculus, and Physics
 - Physics is a *required* course
 - Student must obtain 5 credits in Math (starting with Algebra I in 8th grade) or 5 credits in Science (by taking 2 science courses their junior or senior year)

 - Arts and Humanities
 - Similar to Multi-Disciplinary
 - Must include 4 years of Band or 4 years of Spanish
-

The following endorsements may be chosen in addition to any of the endorsements above and are contingent upon the availability of course options from year to year. Students may earn more than one endorsement, but currently only one endorsement can be noted on the high school transcript.

- Public Services

- Business and Industry
